America s hegemonic project in the post 9/11 era is the Globalization of War whereby the U.S.-NATO military machine --coupled with covert intelligence operations, economic sanctions and the thrust of regime change- is deployed in all major regions of the world. The threat of pre-emptive nuclear war is also used to black-mail countries into submission. This Long War against Humanity is carried out at the height of the most serious economic crisis in modern history. It is intimately related to a process of global financial restructuring, which has resulted in the collapse of national economies and the impoverishment of large sectors of the World population. The ultimate objective is World conquest under the cloak of human rights and Western democracy.

Professor Michel Chossudovsky is the most realistic of all foreign policy commentators. He is a model of integrity in analysis, his book provides an honest appraisal of the extreme danger that US hegemonic neoconservatism poses to life on earth. --Dr. Paul Craig Roberts, former Assistant Secretary of the U.S. TreasuryThe Globalization of War comprises war on two fronts: those countries that can either be bought, or destabilized. In other cases, insurrection, riots and wars are used to solicit U.S. military intervention. Michel Chossudovsky s book is a must read for anyone who prefers peace and hope to perpetual war, death, dislocation and despair. --Hon. Paul Hellyer, former Canadian Minister of National DefenceMichel Chossudovsky describes globalization as a hegemonic weapon that empowers the financial elites and enslaves 99 percent of the world's population. The Globalization of War is diplomatic dynamite - and the fuse is burning rapidly. --Michael Carmichael, President, the Planetary MovementFrom the Inside FlapAmerica's hegemonic project in the post 9/11 era is the "Globalization of War" whereby the U.S.-NATO military machine coupled with covert intelligence operations, economic sanctions and the thrust of "regime change" is deployed in all major regions of the world.
