Sam Willis : The Glorious First of June: Fleet Battle in the Reign of Terror (Hearts of Oak Trilogy) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Glorious First of June: Fleet Battle in the Reign of Terror (Hearts of Oak Trilogy):

4 of 4 people found the following review helpful. What a Wonderful Book
By Shonda Wilson
Sam Willis has the innate skill of having the ability to write like a novelist while also utilizing the tools of a trained historian. His book is detailed and entertaining with a variety of references and strong arguments. Loved it.
3 of 3 people found the following review helpful. I liked it
By Ken Vincent
This was a good book covering a little known battle. Actually, a series of battles that are little known except perhaps by serious academicians of naval history. Well written and it keeps you engaged.
3 of 3 people found the following review helpful. The Naval Trilogy
By Edward Witt
The Hearts of Oak trilogy offers a good insight to the history and pride of the British Navy that has endured the years.

France, early summer 1794. The French Revolution has been hijacked by the extreme Jacobins and is in the grip of The Terror. While the guillotine relentlessly takes the heads of innocents, two vast French and British fleets meet in the mid-Atlantic following a week of skirmishing. After fierce fighting, both sides claim victory. In *The Glorious First of June* Sam Willis not only tells, with thrilling immediacy and masterly clarity, the story of an epic and complex battle, he also places it within the context of The Terror, the survival of the French Revolution and the growth of British sea-power.

"An authentically salty understanding of the workings of wind, sea, sail and rig. A brilliant and subtly nuanced account of the battle." —Sunday Times
