Jeremy Thornton : The Gold Rush: Chinese Immigrants Come to America (1848-1882) (Primary Sources of Immigration and Migration in America (Paperback)) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Gold Rush: Chinese Immigrants Come to America (1848-1882) (Primary Sources of Immigration and Migration in America (Paperback)):

This book briefly describes the reasons for Chinese immigration to the United States during the late 19th century, and the challenges they faced on arrival.
