From Amsterdam University Press : The Great West Ukrainian Prison Massacre of 1941: A Sourcebook before purchasing it in order to gage whether or not it would be worth my time, and all praised The Great West Ukrainian Prison Massacre of 1941: A Sourcebook:

0 of 0 people found the following review helpful. ExcellentBy IAKThis is an excellent compilation of original documents about an all-but-forgotten chapter in the history of WWII, and the end of Soviet-German pact of 1939. After many years, it is finally good to see the history of the Ukraine being told objectively and dispassionately through an independent non-Moscow-oriented lens.

After Germany invaded the Soviet Union in 1941, the Soviet secret police, the NKVD, executed a staggering number of political prisoners in Western Ukraine—somewhere between 10,000 and 40,000—in the space of eight days, in one of the greatest atrocities perpetrated by the Soviet state. Yet the Great West Ukrainian Prison Massacre of 1941 is largely unknown. This sourcebook aims to change that, offering detailed scholarly analysis, eyewitness testimonies and profiles of known victims, and a selection of fiction, memoirs, and poetry that testifies to the lasting impact of the massacre in the collective memory of Ukrainians.

Kiebuzinski and Motyl have compiled a useful book about an important subject that has been given little academic attention until now. - Marc Jansen, *Raam op Rusland* [-][-]About the AuthorAlexander Motyl is professor of political science at Rutgers University. Ksenya Kiebuzinski is head of Petro Jacyk Central and East European Resource Centre at the University of Toronto.
