Rick Beyer : The Greatest War Stories Never Told: 100 Tales from Military History to Astonish, Bewilder, and Stupefy before purchasing it in order to gage whether or not it would be worth my time, and all praised The Greatest War Stories Never Told: 100 Tales from Military History to Astonish, Bewilder, and Stupefy:

0 of 0 people found the following review helpful. Just kind of a disappointment. Not really much here to keep your interest By NED NEEDELENDER (3rd Amigo !!) Just kind of a disappointment. Not really much here to keep your interest. If your looking for something that you can read a short snipit consider it more or less finished for the time being and toss it down then pick it up again later when your waiting around for someone to get out of an appointment or something it might be o.k... also might be good for a "waiting room" type book where you only have a little biot of time and you don't get to take the book home with you but as far as some kind of eye opening "Gee I didn't know that" kinda read don't bother 0 of 0 people found the following review helpful. Five Stars By sharongift for person who enjoys this series 0 of 0 people found the following review helpful. Okay I love the book but did find some discrepancies in some ... By Tammy Okay I love the book but did find some discrepancies in some of the historical facts contained in it. Pretty minor stuff but was just a little disappointed. Book came fast and in perfect condition though.

Search the annals of military history and you will discover no end of quirky characters and surprising true stories: The topless dancer who saved the Byzantine Empire. The World War I battle that was halted so a soccer game could be played. The scientist who invented a pigeon-guided missile in 1943. And don't forget the elderly pig whose death triggered an international crisis between the United States and Great Britain. This is the kind of history you'll find in *The Greatest War Stories Never Told*. One hundred fascinating stories drawn from two thousand years of military history, accompanied by a wealth of photographs, maps, drawings, and documents that help bring each story to life. Little-known tales told with a one-two punch of history and humor that will make you shake your head in disbelief -- but they're all true! Did You Know That: One military unit served on both sides during the Civil War. The War of Jenkins's Ear was actually fought over a sea captain's ear. Daniel Boone was once tried for treason. A siege on Poland in 1519 gave birth to the marriage of bread and butter. Discover how war can be a catalyst for change; an engine for innovation; and an arena for valor, deceit, intrigue, ambition, revenge, audacity, folly, and even silliness. Want to know how the mafia helped the United States win World War II, when the word bazooka was coined, or how Silly Putty was invented? Read on!
