The Gulag Archipelago (Russian: ?????????? ??????, Arkhipelag GULAG) is a book by Aleksandr Solzhenitsyn about the Soviet forced labor camp system. The three-volume book is a narrative relying on eyewitness testimony and primary research material, as well as the author's own experiences as a prisoner in a gulag labor camp. Written between 1958 and 1968, it was published in the West in 1973 and, thereafter, circulated in samizdat (underground publication) form in the Soviet Union until its appearance in the Russian literary journal, Novy Mir, in 1989, in which a third of the work was published over three issues.[1]
