I must start by saying that I am Jewish and absolutely do NOT share the religious views of Corrie Ten Boom. But, this story is so engrossing and moving that

my religious views were irrelevant. This is the remarkable story of a remarkable family that literally laid their lives out to save Jews in Holland during WWII. These are people I wish I could hug. Don't be put off by the religious views expressed. Those views caused heroic people to show mercy and empathy in the most brutal period in recent history. The views were not preachy. I only wish that I could do something good for any person that would give respect for the wonderful people in this story. 0 of 0 people found the following review helpful. Perspective teaches others
By Jae Byrd Wells
Whether you are Jew, Christian, Catholic or pagan, this book of history is enlightening for your journey. There are spiritual mentions that shouldn't keep you from reading this book. Just as you would sit respectfully in front of an aunt at a Holiday feast listening politely to a tale, so shall you listen to this one in all its entirety. Every story should be heard. Tin Boom's story holds your attention from concert to cover, bringing you along as if you feel sorrow and joy along side. Encourage others to read it like I was encouraged to read it. Pass history on so that love is spread no matter what religion you are. 0 of 0 people found the following review helpful. One of my favorites

I absolutely loved this book! I had been thinking about reading it for years, but never quite found the time because I expected it to be a little more difficult to read, requiring more time and brainpower. However, a friend told me otherwise. It is such an easy read, and it almost felt like I was reading a historical fiction, not too weighed down with dates and statistics. Don't be fooled, just because it is an easy read doesn't mean it won't have you pondering things for days. I adored the Ten Booms; what a wonderful family! I found myself laughing and crying along with them and their experiences (and I'm not a crier!). Within this short book is so much wisdom and love, clearly showing the author's mission to spread the love of Christ to her neighbors, even to those that had treated her so cruelly. I would highly recommend it to anyone; in fact, when anyone asks for a book recommendation, it's usually at the top of my list. Happy reading folks!

"Every experience God gives us . . . is the perfect preparation for the future only He can see."--Corrie ten Boom
Corrie ten Boom was a Dutch watchmaker who became a heroine of the Resistance, a survivor of Hitler's concentration camps, and one of the most remarkable evangelists of the twentieth century. In World War II she and her family risked their lives to help Jews and underground workers escape from the Nazis, and for their work they were tested in the infamous Nazi death camps. Only Corrie among her family survived to tell the story of how faith ultimately triumphs over evil. Here is the riveting account of how Corrie and her family were able to save many of God's chosen people. For 35 years millions have seen that there is no pit so deep that God's love is not deeper still. Now *The Hiding Place*, repackaged for a new generation of readers, continues to declare that God's love will overcome, heal, and restore. "A groundbreaking book that shines a clear light on one of the darkest moments of history."--Philip Yancey, author, *The Jesus I Never Knew* "Ten Boom's classic is even more relevant to the present hour than at the time of its writing. We . . . need to be inspired afresh by the courage manifested by her family."--Jack W. Hayford, president, International Foursquare Church; chancellor, The King's College and Seminary
"The Hiding Place is a classic that begs revisiting. Corrie ten Boom lived the deeper life with God. Her gripping story of love in action will challenge and inspire you!"--Joyce Meyer, best-selling author and Bible teacher

From the Publisher
Corrie Ten Boom stood naked with her older sister Betsie, watching a concentration camp matron beating a prisoner. "Oh, the poor woman," Corrie cried. "Yes. May God forgive her," Betsie replied. And, once again, Corrie realized that it was for the souls of the brutal Nazi guards that her sister prayed. Here is a book aglow with the glory of God and the courage of a quiet Christian spinster whose life was transformed by it. A story of Christ's message and the courageous woman who listened and lived to pass it along -- with joy and triumph!
