John Selby : The Iron Brigade (Men-at-Arms) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Iron Brigade (Men-at-Arms):

0 of 0 people found the following review helpful. Five StarsBy charles cohenourgood information6 of 6 people found the following review helpful. Includes the Post-Gettysburg History of the BrigadeBy Eric JonesThis little book, with a forward by Alan Nolan, is essentially a synopsis of Nolan's work, with additional information on the later history of the Brigade (post-Gettysburg) that is not covered by Nolan. It is a useful and quick introduction to the history and look of the Brigade for those without time or inclination to devote to a full reading of Nolan's work. Selby's little book is complemented with general maps and color plates of the various uniforms and styles of dress found in the Iron Brigade.

This book examines the uniforms and equipment, history and organization of the Iron Brigade during the American Civil War (1861–1865). The major battles of Fredericksburg (1862), Chancellorsville (1863) and Gettysburg (1863) are all covered. Uniforms are shown in full color artwork.

From the Publisher Packed with specially commissioned artwork, maps and diagrams, the Men-at-Arms series is an unrivalled illustrated reference on the history, organisation, uniforms and equipment of the world's military forces, past and present. About the Author John Selby was educated at Haileybury, The Royal Military Academy, Woolwich, and Christ's College, Cambridge. He is a military historian and Senior Lecturer at the Royal Military Academy, Sandhurst. His previous books include "The Second World War", "Stories of Famous Sieges", "The Recollections of Sergeant Morris" (editor), "The Paper Dragon", "The Boer War", "The Thin Red Line" and a biography of Stonewall Jackson.
