Maurice Isserman : The Korean War (America at War (Facts on File)) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Korean War (America at War (Facts on File)):

The America at War set draws upon the latest scholarship in military history to provide young readers with dramatic, thought-provoking accounts of this nation's wars. Each volume describes the major objectives and strategies of the combatants, the key battles, the prominent commanders, and the political and social ramifications of the conflict.

About the Author Maurice Isserman holds both a Ph.D. and a master's degree from the University of Rochester. He is a professor of history at Hamilton College, specializing in 20th-century U.S. history and the history of exploration. Isserman was a Fulbright distinguished lecturer at Moscow State University in 1997 and has received numerous other grants, awards, and fellowships. He has written dozens of articles, reviews, reference book entries, and book chapters. He is the author of more than a dozen books, including *Facts On File's Journey to Freedom: The African-American Great Migration* and two other titles in Chelsea House's *America at War* set.
