Joseph Stromberg, Wendy McElroy : The Korean War -and- The Vietnam War (The United States at War - Audio Classics series) before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Korean War -and- The Vietnam War (The United States at War - Audio Classics series):

0 of 1 people found the following review helpful. Fantastic! By GabeyMy DH travels a lot and likes to listen to audiobooks. I got this one for him and he's over the moon about it, and he's a picky, perfectionist engineer.

[MP3CD audiobook format in vinyl case.] The Korean War and the Vietnam War ('The United States at War - Audio

Classics Series') [Read by George C. Scott] Following World War II, the United States and Soviet Russia vied for dominance around the world in an intense contest called the Cold War. Both Korea and Vietnam felt the full brunt of this conflict, and each was divided into two ideologically opposed sectors; to the north, the Communists dominated, while to the south, the United States prevailed. In both countries, America would face her worst nightmare: a land war in Asia. It began in Korea but continued in Vietnam, where more than fifty-eight thousand Americans would die. During the course of the Vietnam War, one American president was assassinated, another declined to seek reelection, and a third was discredited. Just as the fabric of society in Vietnam was torn to shreds by the continued political upheaval, so too was our own world powerfully reshaped. The 'United States at War' series is a collection of presentations that review the political, economic, and social tensions that have erupted in military conflict and examine how the conflict resolved, or failed to resolve, those tensions.

About the Author AUTHOR BIO: WENDY McELROY has written on women's issues for Reason, Liberty, Penthouse, and the National . She is the author of several books on feminism and has worked as a scholar for such think tanks as the Cato Institute. She was a 1997 Mencken Award finalist. AUTHOR BIO: JOSEPH STROMBERG is a Research Fellow at the Independent Institute and has held the JoAnn B. Rothbard chair in History at the Ludwig von Mises Institute. He received his BA and MA from Florida Atlantic University, and his further graduate work was completed at the University of Florida. NARRATOR BIO: GEORGE C. SCOTT, narrator of 'The United States at War' series, is one of the most celebrated actors in American film and theater. An ardent student of history, Mr. Scott masterfully conveys the story of America's great conflicts.
