Five StarsBy grbExtremely researched and well-documented1 of 1 people found the following review helpful. fascinatingBy ScottI new very little about the Korean war other than what I learned from a couple documentaries so I first read The Coldest Winter by Halberstam. The Coldest Winter is excellent but concentrates almost entirely on the first year. I found that this book compliments The Coldest Winter very well.To understand the Vietnam War and much of current events, an understanding of the Korean War is essential. You can't go wrong with this book
