church and state in a little known (to me) Spanish Armada trying to outflank Elizabeth I in Ireland during the last years of her reign. In this case the Spanish are again defeated, but with some glory to their credit. 0 of 0 people found the following review helpful. Four Stars By Alan Baum Very good historical novel, accurate. 0 of 1 people found the following review helpful. Four Stars By James S. Very worthwhile book for those interested in Anglo-Spanish, Irish relations. Well written and entertaining.

The story of the last great naval battle between England and Spain, evoking a number of colorful and dangerous personalities who fought in the climactic conclusion to these two countries' great rivalry on the sea. Ireland: Christmas Eve, 1601. As thunder crashes and lightning rakes the sky, three very different commanders line up for a battle that will decide the fate of a nation. General Juan del Águila has been sprung from a prison cell to command the last great Spanish armada. His mission: to seize a bridgehead in Queen Elizabeth's England and hold it. Facing him is Charles Blount, a brilliant English strategist whose career is also under a cloud. His affair with a married woman edged him into a treasonous conspiracy and brought him to within a hair's breadth of the gallows. Meanwhile, Irish insurgent Hugh O'Neill knows that this is his final chance to drive the English out of Ireland. For each man, this is the last throw of the dice. Tomorrow they will be either heroes or failures. These colorful commanders come alive in this true story of courage and endurance, of bitterness and betrayal, and of drama and intrigue at the highest levels in the courts of England and Spain.

"The author's gift for deep, comprehensive historical study and his ability to keep characters fresh in readers' minds bring this battle between Spain's best general and Queen Elizabeth's favorite, Charles Blount, to the awareness it has been denied. A fantastic book that finally assigns Kinsale its rightful place in history." - Kirkus s (starred review) "The Last Armada is history written to read like journalism. Ekin's observations and summations are sharp, precise and meant to strike a chord in the modern reader." - The Dallas Morning News "Entertaining, chatty, and superbly researched, replete with fascinating anecdotes and tragicomic relief, this is popular history at its finest. It is sure to appeal to aficionados of Irish and military history. Fans of Arturo Perez-Reverte's Captain Alatriste adventures will delight in seeing real-life counterparts in action at the Siege of Kinsale." - Library Journal "An even-handed account of a critical event in Irish history. A historical page-turner with acts of heroism, betrayal, espionage, self-aggrandizement and self-sacrifice." - Shelf Awareness "Enthralling." - The Irish Independent "Terrific. One of the most turbulent periods in Irish history is brought dramatically to life. Fascinating." - The Sunday World (Ireland) "Irish journalist Ekin effectively brings to life this fateful but largely forgotten second effort to claim England for Catholicism and the Spanish Hapsburgs. It's a detailed narrative filled with heroism, treachery, dynastic politics, and adultery?the makings of a soap opera, except that all of it actually happened. Ekin wrings nearly everything he can from various archives. Where the archives are silent, Ekin offers prudent judgments about what might have occurred while reporting fairly on earlier participants' and historians' differing conclusions. A nice contribution to the historical literature, and one very well told." - Publishers Weekly "The intrigues, the siege, the battle, and the aftermath are brilliantly realized by the author." - The Irish Catholic "Lovely and enthralling. Ekin is a wonderful guide through this engrossing tale." - The Sunday Times (London) About the Author Des Ekin is a historian and journalist. After spending several years covering the Ulster Troubles, he rose to become Deputy Editor of the Belfast Sunday News. He worked as a journalist, columnist, and finally Political Correspondent for The Sunday World until 2012.
