William M. Cole A very nice addition to my library. A different point of view. 0 of 1 people found the following review helpful. Great Read. By Dave Mook Great read.

"I thought my men were invincible," admitted Robert E. Lee. A string of battlefield victories through 1862 had culminated in the spring of 1863 with Lee's greatest victory yet: the battle of Chancellorsville. Propelled by the momentum of that supreme moment, confident in the abilities of his men, Lee decided to once more take the fight to the Yankees and launched this army on another invasion of the North. An appointment with destiny awaited in the little Pennsylvania college town of Gettysburg. Historian Dan Welch follows in the footsteps of the Army of Northern Virginia and the Army of the Potomac as the two foes cat-and-mouse their way northward, ultimately clashing in the costliest battle in North American history. Based on the Gettysburg Civil War Trails, and packed with dozens of lesser-known sites related to the Gettysburg Campaign, *The Last Road North: A Guide to the Gettysburg Campaign* offers the ultimate Civil War road trip.

"...shows a deep knowledge of the subject and the style of writing is clear and easy to follow...buy this book!" (Wargames, Soldiers Strategy) About the Author Rob Orrison serves on the Board of Civil War Trails and works as Historic Site Operations Supervisor with Prince William County. Rob has worked with Civil War Trails for over 10 years to connect visitors to little known Civil War sites.
