edition needs editing.0 of 1 people found the following review helpful. Five StarsBy Lucy RoperCertainly worth the price. He was an interesting fellow.1 of 1 people found the following review helpful. Basics on Albert PikeBy Darrell UppIf you are looking for a good introduction to Albert Pike, this is the book to get. It was published at a time when he still existed in living memories. It is a likable book, but it does not possess a great deal of depth of the character or actions of the great adventurer.

This scarce antiquarian book is a facsimile reprint of the original. Due to its age, it may contain imperfections such as marks, notations, marginalia and flawed pages. Because we believe this work is culturally important, we have made it available as part of our commitment for protecting, preserving, and promoting the world's literature in affordable, high quality, modern editions that are true to the original work.
