**H. H. Cunningham : The Lincoln Assassination Conspirators: Their Confinement and Execution, as Recorded in the Letterbook of John Frederick Hartranft**

before purchasing it in order to gauge whether or not it would be worth my time, and all praised *The Lincoln Assassination Conspirators: Their Confinement and Execution, as Recorded in the Letterbook of John Frederick Hartranft*:

0 of 0 people found the following review helpful. Worth the read  
By peter  
Written in the style of another era, this well researched book takes an organized approach to describe the infancy of wartime medicine. Sherman was right when he said, "war is hell". It was particularly gruesome for the Civil War soldier. The reader will certainly appreciate the progress made by military medicine over the last 150 years

By Gw Jones  
I liked "Doctors in Gray" but I don't believe I ordered this other book "The Lincoln Conspirators".  
3 of 3 people found the following review helpful. Good Reference  
By Gail C.  
This is easy reading; I have used it in genealogical research proving a 4th great uncle was a physician in the Confederate Army. Good to have in my personal library; it will be used as reference over and over.

Book by Cunningham, H. H., Cunningham, Horace Herndon

From the Back Cover  
H.H. Cunningham's *Doctors in Gray*, first published more than thirty years ago, remains the definitive work on the medical history of the Confederate army. Drawing on a prodigious array of sources, Cunningham paints as complete a picture as possible of the daunting task facing those charged with caring for the war's wounded and sick.  
About the Author  
H. H. Cunningham taught history at Elon College, in Elon, North Carolina, and at the University of Georgia.
