**Joseph Wheelan : Their Last Full Measure: The Final Days of the Civil War** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Their Last Full Measure: The Final Days of the Civil War:

In this fast-paced narrative, historian Joseph Wheelan relates the dramatic events of early 1865, from the battles ending the Petersburg siege and forcing Lee's surrender at Appomattox to the destruction of South Carolina's capital,

the assassination of Lincoln, and the intensive manhunt for his killer. Meticulously researched, *Their Last Full Measure* braids the rapidly unfolding events into a compelling account that includes powerful armies; leaders civil and military, flawed and splendid; and ordinary people, black and white, struggling to survive in the war's wreckage.
